CAREER HIGHLIGHTS

Fresher - Enthusiastic and detail-oriented diploma graduate in Electronics and Communication Engineering, currently pursuing a Bachelor of Technology in Artificial Intelligence & Data Science. Recognized for a strong sense of responsibility and organizational skills. Eagerly seeking the opportunity to apply theoretical knowledge gained through academic pursuits in a dynamic work environment, contributing to the success of a forward-thinking organization.

Graduate Innovation Trainee: Forge Innovation and Ventures Since Jan 2024
- Started my Position as Graduate Innovation Trainee.
- Trying to change myself in a perspective of Student to Industrial Professional Learning and applying the concept of Applied Design Thinking to build a Right.
- Product and Product Right
- Understanding the Art of Observation and Collecting Data from the Stakeholders.

EDUCATION

UG Dept: Artificial Intelligence & Data Science	Graduation: 2025 CGPA: 7.5
Diploma: Electronics and Communication Engineering	Graduation: 2022 Marks: 98%
CLASS 10	Graduation: 2019 Marks: 73%

SOFTWARE SKILLS:

- Python
- Java
- C and Embedded C
- Java Script
- MERN Stack

MACHINE TOOL HANDLING

- Tableau.
- Visual Studio code.
- Power bi.
- Prompt Engineering.
- Multisim.
- PCB Designing.
- Knime.
- Solidworks.
- Fusion 360.

CERTIFICATION

- **Java – Mastering the Fundamentals – Scaler**
- **Reinforcement Learning – Udemy**
- **Virtual Data Science Internship – CodSoft**
- **Hackathon - IIIT – Kottaiyam**
- **1 week Full stack web development workshop – RampEx technologies**
- **Ideathon – 2nd Runners – National Institute of Engineering – Mysore**

PROJECT

- Automated IoT based Smart Irrigation System.
- Surveillance Rover using ESP32 Cam module.
- Inland Fish Species Classification using different Machine Learning architecture.
- Accenture Data Analysis and Visualization Job Simulation.

PERSONAL INTERESTS

- IoT
- Embedded AI
- AI / ML
- Data Science and analytics
- Cloud Computing
- Full stack web development

PERSONAL DETAILS

Father: Muralidharan K
Mother: Jayanthi K
Date of Birth: 29/06/2004
Languages: Telugu, Tamil, English
Native: Coimbatore

Declaration

I hereby declare that, the above mentioned details are true.
